EBnet EVOLUTIONARIES CONFERENCE

COMING TO YOU 6 - 10 OCTOBER 2025!

EBnet.

THE EVOLUTIONARIES.

DUE TO INCREASED POPULARITY AND DEMAND, WE HAVE OPENED THE BOOKINGS FOR THE 2025 VIRTUAL CONFERENCE

The EBnet Evolutionaries Conference is an annual 3-D virtual conference, an event that has historically attracted between 700 – 1 000 attendees from a wide range of funds and service providers in the retirement and investment industry.

The conference showcases relevant innovation and technology that is improving the retirement fund industry in South Africa i.e. evolutions. From a Speaker's Auditorium covering relevant thought leadership and new solutions, to a range of Evolutionary Rooms where new innovations compete to be the Evolutionary Award winners. The conference brings you quality content in a user-friendly format – the only conference where you can come and go as you please, and not miss a thing!

We believe the conference has a unique place in the market given its virtual nature and we have seen this borne out in the statistics gathered from the 2024 event

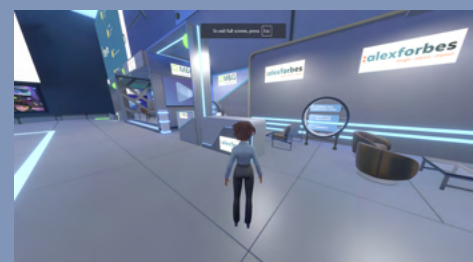

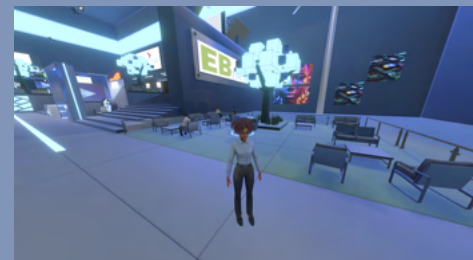

Exhibitor and speaker opportunities are limited and expected to be sold-out by the end of July 2025!

Book now to reserve your spot!

EBNET EVOLUTIONARIES CONFERENCE

INCLUDES THE ANNUAL EVOLUTIONARY AWARDS

In a world of continuous improvements, we recognise the evolutionaries at our annual EBnet virtual conference by way of a peoples' choice voting system. To evolve is to change or develop slowly into a better, more advanced state. Each innovation building on the previous to create continuous improvement and better outcomes.

The categories for the Annual EBnet Evolutionary Awards are:

1. Evolution in improving member outcomes
2. Evolution in employee benefits and advice
3. Evolution in investments
4. Most promising new women-led initiatives
5. Most promising new black-owned initiatives
6. The Greatest Impact

Any idea, process or technology that you have implemented that you believe betters outcomes for industry stakeholders is worthy of considering.

Winners will receive:

- Full spec placement ad on our Innovation and Technology page for 12 months;
- Personal profiling of the Evolution by the Editor; and
- A space on our notice board on EBnet's landing page for 2 weeks during a 12 month cycle.

(Total worth: approximately R200,000)
